

RHYTHM AND METER WORKSHEET NO. 1
(Video 1)

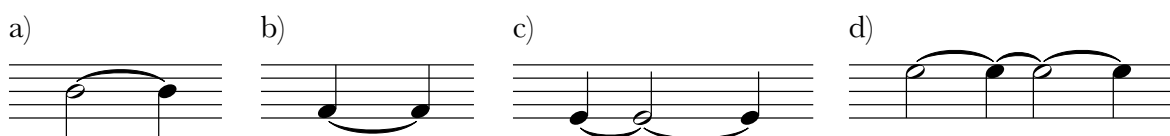

1. Add stems, flags, and dots to the following noteheads as necessary to turn them into the given note values. (Make sure your stems, flags, and dots are all notated correctly.)

2. Beside each note, write the equivalent rest. (Make sure your rests are positioned correctly on the staff.)

3. Add stems to the following noteheads, and tie the resultant notes in each series together. (Make sure your stems and ties are notated correctly.)

4. Fill in the blanks with the appropriate numbers.

- | | |
|------------------------------------|-------------------------------------|
| a) = <u>6</u> quarter notes | g) = <u>3</u> eighth notes |
| b) = <u>4</u> eighth notes | h) = <u>14</u> sixteenth notes |
| c) = <u>3</u> eighth notes | i) = <u>7</u> eighth notes |
| d) = <u>4</u> sixteenth notes | j) = <u>10</u> thirty-second notes |
| e) = <u>6</u> thirty-second notes | k) = <u>5</u> sixteenth notes |
| f) = <u>2</u> thirty-second notes | l) = <u>7</u> sixteenth notes |
